APPEAL TO DEMOCRATS FOR FUNDS FOR CAMPAIGN

The success of the Democratic ticket in the November election will depend largely on the amount of money subscribed by Southern Democrats to the National Campaign Fund.

Let me appeal to every Democrat in the South to make a contribution to this fund which will be used in the words of Governor James M. Cox, "To fight an honest battle." Says Joe Sparks, assistant treasurer of Democratic National Committee.

All moneys contributed will be used for legitimate purposes in presenting democratic policies to the voters in doubtful States.

The South owes its industrial and economical freedom to the Federal Reserve Bank. In the event of Republican success every effort will no doubt be made to wreck the efficiency of this great institution.

Let me appeal just as strongly as possible to every man and every woman in the Democratic party in the Southern States to get actively behind the movement to collect funds for the fight.

Send them than to this meeting, that they may have an opportunity to learn some thing of the great good that the Junior Guards have in contemplation for our boys. Prominent local members of the Improved Order of Red Men will be in charge of the meeting and they desire that every member of the Junior Guards be present as well as every boy in the city between the ages of twelve and eighteen. Boys, it is up to you to make this the biggest organization in Alexandria. Come.

1,325 WOMEN QUALIFY TO VOTE

Curtain Will be Drawn Down at 5.50 This Afternoon

WILL EXCEED 1400

Alexandria now Has More Than 4,000 Qualified Voters on List—2850 Men Qualified.

Thirteen hundred and twenty-five women had paid their capitation taxes up to 3 o'clock this afternoon. Commissioner of Revenue C. H. Callahan, City Treasurer Thomas W. Robinson and the registrars in the four different wards were virtually swamped today, the women coming in large numbers to qualify themselves with a vote. The registrars especially were kept buy, many who having paid their capitation taxes not registering until today.

The curtain will be drawn down at sunset today on the women registering, for after that hour the registrars will not register anyone as provided by law. This, therefore, means that the tardy ones after that hour will be unable to vote even though they have paid their taxes for they cannot register.

From the time the officers of the two city officials opened this morning until 3 o'clock exactly 142 women had called and paid their taxes.

The officials expected that the grand total will exceed 1,400 by 5.00 o'clock this afternoon, which hour is sunset and which is the dead line for registering or payment of the capitation taxes.

Despite the fact that it had been well advertised about the time limit the city officials feel confident that there will be many disappointed women who will be unable to vote because of their failure to come on time. Many are waiting till the last minute, some unable to determine just whether or not they want to vote in the coming election. These tardy ones will have another year to wait to decide just what they are going to do.

The registration of the women this far has exceeded expectations of the election officials. Early in the work of registration it was estimated that the number would not exceed 1,000. Already it is 400 in excess of the maximum figures estimated by the speculative men. Now that suffrage is here the women have decided in unmistakable terms that they want to take part in the privilege of voting.

With about 1400 women on the qualified list of voters Alexandria in the coming election will have a total voting list of about 4250 the largest in the history of Alexandria, for the total number of men on the list is exactly 2850. The women, therefore, control fifty per cent of the vote in Alexandria.

Election officials feel confident that in the coming election every woman who has qualified will go to the polls and cast her vote. In connection with voting many of the men heretofore have been careless in this respect but it is not believed that the women will be.

G. F. A. Meeting

Members Will Attend Meeting at Fairfax Next Friday

Alexandria Council No. 5, O. F. A. met last evening in its new quarters at Pythian Hall, 319 Cameron street. The meeting was well attended and it was characterized by enthusiasm and "pep." An application for membership was received and plans completed for conferring the degrees at its next meeting upon several candidates. It is expected that during the fall and winter months to make each meeting of interest to the membership by providing some entertainment when degrees are not being conferred. Announcements were completed last evening for attending the meeting of Fairfax District on Next Friday evening, when a large delegation will assemble at that place from the various Councils in Fairfax County, and this city. It is expected the local Council will send a large delegation to the district meeting.

COX GREETED BY OKLAHOMA VOTERS

Enthusiasm Runs Wild as Democratic Candidate Tours State

DENOUNCES LODGE

Nominee Says Article Ten is Simply Mandate Against Theft—Says Big Business Paying G. O. P., Bills

Tulsa, Okla., Oct. 2.—Oklahoma yesterday gave Governor Cox a reception rivaling in enthusiasm any reception of the Democratic presidential candidate's Western trip, which closes today, one month from election day, after covering more than 10,000 miles in twenty-two States. The Governor's speeches already have passed the 200 mark.

Headed by the league of nations Democratic doctrines were preached by Governor Cox to ten Oklahoma audiences which roared their approval. Cheering crowds, waving banners, brass band parades and jammed auditoriums marked the Governor's tour today through the State, closing here tonight with a torchlight parade, fireworks and a rousing meeting at Convention Hall. Accompanying the candidate were three special cars of Oklahomans, including Governor Robertson, sponsor at many audiences; Scott Ferris, Democratic candidate for Senator, and many other party candidates and notables, including a score of women.

With the league predominant, Governor Cox's addresses were replete with discussions of agricultural questions, of special local interest throughout the cotton, wheat and oil belts, through which he traveled. He also continued denunciation of the "senatorial oligarchy," especially Senator Lodge, of Massachusetts.

A new form of attack was encountered by the Governor at Chandler, from which a sheaf of telegrams signed by various names had been sent him ahead. He asked his audience about the telegrams, mostly containing questions on the league and some were declared fictitious and others unauthorized.

The affair, Governor Cox declared, disclosed "tricks of politicians—skull duggery."

"They won't fight on the level," he said, reiterating his charges that Republican "scouts" had preceded him in a campaign of newspaper silence, misrepresentation and embarrassment. "But I'm going to continue fighting on the level and I'm going to give them a good licking."

A new charge regarding alleged "scouts" of Chairman Hays, of the Republican National Committee, was made by Governor Cox at Sapulpa, where he spoke from an electric-lighted grand stand to a large crowd on the railroad station lawn. The Governor charged that "thousands and thousands" of Republican agents were posing as Democrats and telling persons whom they met that they wanted no more Democratic rule.

"These scouts," the Governor said, "have been traveling everywhere. I don't know how many men Will Hays has employed. You will find them in sleeping cars, smoking 25-cent cigars for the first time in their lives. Their policy is to get into conversation with passengers. They will say: 'How's the election going?' 'Well' the scout says, 'I have been a Democrat for twenty years, but no more of it for me, I'm done.' There are thousands and thousands of that kind of scouts traveling all over the United States, and Big Business is paying the bill."

Referring to the telegrams sent him from Chandler, the Governor said that one asking a question on intricate international law, it developed, purported to have been sent by a colored laundress.

"This," he said, referring to the new bombardment of telegrams, "is one of the outgrowths of the Napoleonic mind of Will Hays."

Governor Cox also predicted "startling events in the councils of the reactionary group" within a short time. "I will make the prediction," he said, "that certain groups are going to ask certain gentlemen for a showdown."

Senator Harding was pictured by Governor Cox during today's tour as a "reactionary" candidate, and on the latter aside as "standing in no man's land."

"His pretended 'America first,'" the Governor told his audience here last night, "is really 'Safety first.' The biggest issue of history is absent from his speeches. He may be fooling Taft, he may be fooling Johnson, but I'm going to see that he don't fool the American people."

Referring to Article X., the Governor declared that "no commentary or interpretation" was necessary. It refers solely, he said, "to external" aggression, and not domestic revolution or civil war or anything else.

"And 'advise,'" he continued, referring to the article's provision authorizing the league council to advise regarding its decisions, "means 'advise' and it doesn't mean instruct, or command or order."

Article X, was compared by the Governor to the eighth commandment, against theft.

DODGE CAR PRICE UNCHANGED

Official confirmation of press dispatches from Detroit, announcing that there would be no reduction in the price of Dodge Brothers Motor Cars, has been received by Fletcher Motor Company, the Dodge Brothers dealer in this city. A telegram from C. W. Matheson, acting general sales manager to the local dealer, reads:

"Dodge Brothers policy has ever been to give full value for the price asked. There will be no reduction in the present prices of Dodge Brothers motor cars. Newspaper reports to the contrary are absolutely untrue."

"Dodge Brothers announcement was no surprise to us," said Claude W. Fletcher. "In fact it is only a substantiation of Dodge Brothers business principles. At no time have they ever demanded an excess amount for their product. As in the past, they will continue in the future to demand a fair return for their efforts."

"The mere fact that the demand for Dodge Brothers motor cars is still greater than the supply, despite the great expansion program at the factory, has absolutely nothing to do with the decision to continue the present prices. In marketing their car Dodge Brothers have never made a point of price and will never sacrifice the quality of their product to enter price competition."

Plan Mass Meeting

Speaker to Address Citizens on League of Nations

The officers and members of the executive committee of the Cox, Roosevelt and Moore Club at a meeting held last night in the rooms of the chamber of commerce, presided over by Gardner L. Boothe, decided to hold a democratic mass meeting probably next week in the opera house when a prominent speaker will be here and discuss the league of nations. Both men and women, regardless of party affiliations, will be invited to attend. A date for the meeting will be announced later.

Other plans for a vigorous campaign were discussed and arrangements made for getting out a large vote on election day for Cox, Roosevelt and Moore. Most of the women officers of the club and also the women named on the executive committee attended.

Dismiss Policeman

Commissioners Will Hold Special Meeting Tuesday Night to Elect Successor to Officer German

At a special meeting of the board of police commissioners held last night presided over by Mayor James M. Duncan, the board dismissed from the force Policeman Aubrey T. German for his failure to report for duty the night of September 30.

Policeman German claimed that he had visited a carnival that night and felt unwell and that was his reason for not reporting. He was reminded by the board that he should have either phoned headquarters or sent a message to the effect that he was unwell.

The board decided to hold a meeting Tuesday night at 8.15 o'clock for the purpose of electing his successor. All candidates must submit applications in their own handwriting between now and Tuesday to J. Edward Shinn secretary of the board, and also appear in person the night for the election. Unless they appear in person their applications will not be considered.

It was the first meeting night for the two new commissioner: J. Edward Shinn, first ward and Arthur Herbert fourth ward.

There was a general discussion for the improvement of the force and an interchange of opinion followed on various suggestions made, one being from Commissioner Herbert on the feasibility of having headquarters for a man at the waiting station at Rosemont.

The commissioners announced that they would stand behind every police man who does his duty.

SAYS REPRISALS ON BRITISH HEADS

Sinn Fein Founder Says Leaders Are Marked

SHOW ALLEGED ORDER

Dublin Greatly Excited Over Publication of Charge That Leaders Were to be Assassinated

London, Oct. 2.—Lord Mayor Terence MacSwiney, of Cork, took a sudden turn for the worse at 7 o'clock last night and lapsed into unconsciousness in his cell at Brixton Jail.

Dublin, Oct. 2.—Sensational charges that the Government itself was responsible for reprisals in Ireland and that a certain number of Sinn Fein leaders were marked for assasination were made today by Arthur Griffith, founder of the Sinn Fein organization, who said he was first on the list of intended victims.

Mr. Griffith, to support his statements, exhibited to the group of American, English and Continental newspaper men, to whom he made a long statement preferring the charges, alleged official documents secured by Sinn Fein agents.

Among these papers was an official permit alleged to have been signed by Gen. Sir Nevil Macready, military commander of Ireland. It was made out in a man named Harry, who has had a lifelong career of forgery and imprisonment and who is alleged to have been released prematurely from prison on a ticket of leave signed by Ian MacPherson, as Chief Secretary for Ireland, permitting him to move about freely in Ireland, unmolested by police surveillance, in the role, as Mr. Griffith asserted, of Government spy.

Although accustomed to almost daily sensations, Dublin was greatly excited over the revelations of Mr. Griffith, which were published in one of the afternoon newspapers.

It is pointed out that, if the documents are authentic, Mr. Griffith is liable to arrest under the Defense of the Realm act and, under the new Restoration of Order act, for having them in his possession and circulating a military order relating to a movement of troops not yet carried out. Similarly it is said that any newspaper commenting upon the matter, or publishing such an order, on the ground of its being a breach of British censorship regulations, is liable to arrest.

Confirmation has been received here that reprisals followed the shooting by ambush yesterday of District Inspector Brady near Tubbercurry, County Sligo. The Inspector was killed and of two constables who were wounded.

Brady, when an officer at the front in the late war, was chosen by Field Marshal Haig to carry dispatches to Windsor Castle to the King.

After the shooting four lorries containing "Black and Tans" entered Tubbercurry, fired their rifles, threw bombs and set fire to houses, destroying six important business buildings and two creameries.

Fifteen shops and residences were damaged or destroyed. Hardly a house in the town remained unmanaged. The townspeople anticipated the raid and a majority of them had left Tubbercurry.

This morning extra police on their way from Sligo to Tubbercurry were fired on. No causualties have been reported.

THE RETREAT FROM MOSCOW

The uncompromising pronouncement of Samuel Gompers on the general pretensions of the neo-Marxian revolutionaries is the latest evidence of the all-around repudiation of the Russian soviet dogma. Relying not on facts about Russia but on their imaginations, certain labor leaders bodly championed the Russian experiment. One by one the industrial nations have been disillusioned. Germany, France, and Italy have renounced the cult of Lenine, and the Third International seems likely to be abandoned by its Russian originators and a few unimportant groups of scattered Communists. England has refused to affiliate with Moscow, and the truth about Russia has been learned from the lips of sadder but wiser radicals.

There is a notion prevalent in some quarters that English labor, not having passed through the test of hard facts like its Italian comrades, is revolutionary in its aims. Yet the miners have been obliged to state, in the person of Mr. Smillie that they do not even contemplate the nationalization of the mines in their present dispute. That statement is an important indication of the trend of opinion. It shows that Mr. Smillie is aware that the demand for nationalization is not likely to assist the miners' case with the consumer. The first bid for the favor of the latter was the claim for a reduction in the price of coal. That was first abandoned, now nationalization follows, leaving the miners in the position of insisting upon a mere wage strike, with no other recommendation than the narrow interests of a particular section of the community.

A year ago it seemed as if the advocates of public ownership had all the trumps in their hands. The newspapers were filled with the Sankey Commission's evidence of fabulous coal profits and Mr. Smillie was enjoying the unique privilege of heckling noble lords and captains of industry in the presence of the entire people of England. All that research and propaganda have petered out in this banal demand for another 50 cents. In those days Winston Churchill was hinting at the nationalization of the railways, yet now it is reported that the greatly boomed Ministry of Transport is to go the way of all flesh.

Our English correspondent reports that J. H. Thomas is the dominant personality in British Labor, a most moderate of moderates. If he reaches the Premiership under a so-called Labor Government it will be because he embodies the qualities of English Liberalism which were submerged in the wreckage of the defunct Asquithian Liberalism. If there should are a Labor Government in England it would be really a Labor-Liberal coalition, not as Liberalism before the war was Liberal-Labor. The radical optimists and their best friends, the scaremongers, will doubtless believe that there is an alternative in the shape of class-conscious Marxism. It is permissible to be a little skeptical of British "Bolshevism." Neither Sylvia Pankhurst nor George Lansbury are names with which to conjure up a revolution, however ominous they may sound in the ears of their strangely nervous adversaries.

SPORTS

Tomorrow at 3 o'clock at the Shipyard the Virginia A. C. will play the Fort Washington team. The soldiers average about 175 pounds but as the local team is unable to get games in Washington with teams at our weight they took the soldiers on. You will see a good game as the boys have been working hard for the past two weeks. Stands are up for accommodation of those who attend, each side of the field and [illegible]

to have you with them tomorrow. Carl Muller will refree all games played by this team this season and will make a good competent man for the job. Bring your friends.

The Dreadnaught Athletic Club will resume athletics in Alexandria again Sunday after a rest of two weeks following the Knickerbocker Dreadnaught game Sunday, September 19, when their football team will take the field for the first time this season playing the Park View Athletic Club of Washington. Coach Billy Crouch has been working hard for the past two weeks driving many members of last years great team through hard workouts and predicts another fine eleven for Alexandria this season as soon as a few new men join the squad.

Sunday's game will start at 3 p. m. sharp. New uniforms have been secured by the club and they will make a very good appearance. Alexandria fans should support this club as they demonstrated during the baseball season that they were for clean sport at al ltimes. Mr. Crouch has given much time to the welfare of Alexandria in this line of sport during the past two years and deserves the backing by Alexandria fans, as his hard work should be appreciated by good attendances. Game to be played on North Alfred street grounds.

Richmond—Six hundred merchants of Richmond stand to be indicted by the grand jury of Hustings Court Monday for alleged failure to pay their license tax for doing business. It is understood that Commonwealth Attorney George E. Wise has papers for that many merchants prepared and ready to present to the grand jury. No intent to evade the payment of the tax on the part of any merchant is suspected, but the delinquency in this direction is due to continued procrastination.

IMMEDIATE PRICE REDUCTION

Overland ------ Willys-Knight Cars

John N. Willys, head of the Willys-Knight and Overland Co., announced an immediate reduction in price on Willys-Overland and Willys-Knight cars. In making this reduction Mr. Willys said:

"We could not possibly have taken this action unless we felt thoroughly justified in anticipating reduced cost of materials against which conditions our companies have made provision. It has been commented that the automobile business has been profiteering. The profit in proportion to the increase in prices has been much less in this industry than prior to the war."

The following prices become effective today—

OVERLAND TOURING CAR	$895.00
OVERLAND ROADSTER	895.00
OVERLAND COUPE	1,425.00

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Alexandria People's Experiences

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attack may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Alexandria proves the effectiveness of this great kidney remedy.

Mrs. A. W. Ballard, 506 South Alfred Street, Alexandria, says: "I could hardly get around, my back hurt so. When I bent over I would get so dizzy I could hardly straighten up. There was a throbbing ache in my head most of the time and I always felt tired. Doan's Kidney Pills relieved me of all kidney complaint and I believe if I hadn't taken them in time the trouble would have been pretty serious. I certainly can recommend Doan's Kidney Pills."

Price 60c. at all dealers. Don't simply ask for a kidney remedy get Doan's Kidney Pills—the same that Mrs. Ballard had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.
